gave me the knife
you didn't cut me but you gave me the knife
you didn't touch me but you made it inside
you didn't cut me but you gave me the knife

i dared the wind to take away my home
i've been trying for years to clear away the
stones
the earth is turning to keep the sun out of its
face

the moon steals the covers the clouds stay fixed
in place / or so my teacher said

did we have to come all this way
3 5 7 10 12..
to find we came the wrong way? x2

perhaps i should call upon X & tickle her
defense
with double blind charades & phallic monuments
surrounded by razor wire fence

did we have to come all this way
to find we came the wrong way? x2

o chromosome! o chromosome!
o chromosome! o chromosome!
please tell me why! why, chromosome?
o chromosome! o chromosome!
